

In 2024, a group of students and alumni from Classical High School are coming together to establish a startup focused on building wealth aligned with personal ideals. We invite you to join us in this endeavor. For additional information, please visit... Ri4C.com/Club

In 2023, Nickantony Quach, the mentor of **Edgar Castro**, scrambled Edgar's full name to give him a new nickname: **Seadragon**. The two books "Raising Seadragon" and "The Thumos Code" captured their mentorship. Edgar's World History teacher at CHS, Mr. Patrick Boisclair penned the second book's foreword.

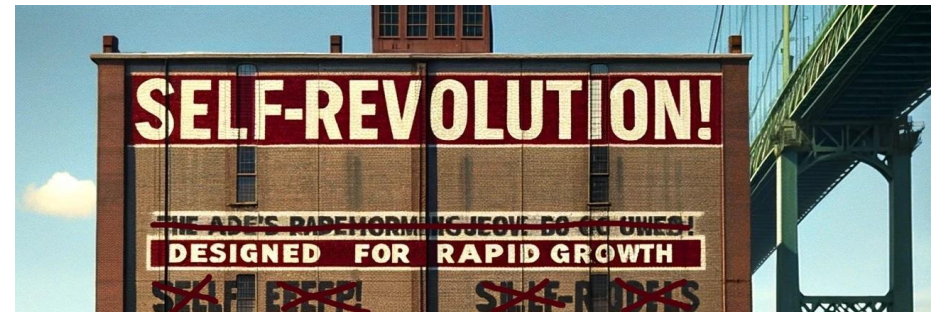

The first two members are Edgar Castro, a CHS sophomore (Class of 2026), and Alec Mustafayev, a fiction writer who entered CHS six years before Edgar. Feel free to meet Edgar at CHS or to drop him an email at 401edgarcastro@gmail.com. Alec also wants to meet you in person. You can text him at Ri4CTV on 401-366-4987 or DM him via [@alec_mustafayev](https://www.instagram.com/alec_mustafayev).
